

HA, adolf's basic needs foundation

Nov 23, 2018

my name is Judy Robbins. I am on Social Security Disability because of my neck. I cannot work but am ambulatory.

my adult son, Ian, age 31 shares bills with me. He has work in Chico Area.

Our home was destroyed by the Paradise "Camp Fire" on Nov. 8. We are staying at a friends home, but must be short term.

I have a dog. Suki is a black lab 12 yrs my cat is 3 yrs. Spike is neutered.

We are looking for a trailer to stay in until FEMA funds come through and we can replace our home.

We had no insurance as it was a mobile home with only a woodstove for heating.

We have several trailers to look at in the 7-9000 dollar range. We are unable to find a park, but could put it here where we are staying.

I also have a Thousand Trails membership. This gives us options.

Just the trailer would help alot.

Thank You for your help and consideration,

Judy Robbins
