My name is Peter Gray  
at

I am requesting from  
BASOC needs foundation  
assistance with my living  
conditions. I am a Vietnam  
veteran with agent ~~over~~  
charge.

I have requested a mobile  
trailer in which I can live  
throughout my retirement.  
My environment is harsh  
with weather and I am into  
my senior years.

I am a single man that  
would like to live out  
my years within my  
social security budget  
with no burden to others.
